The relationship between noise and privacy in UBC students' study spaces and reported stress levels

Today's crowded study spaces are affecting college students

Mar 31, 2021 — The pandemic forced college students into crowded and noisy study spaces, from laundry rooms to bedrooms, affecting their ability to learn.

Lack of study spaces at UCLA imposes unnecessary stress on students

Why are there no quiet places to study on campus? : r/Purdue

Oct 10, 2022 — Most of the time the study rooms are empty... All in all, I feel like Purdue is severely lacking in student life, safety, and appeal to education.

36 answers · Top answer: You just gotta explore random buildings until you find a quiet place. ...

Very hard to find truly quiet study space : r/college

Apr 30, 2019 — ... study space? No one obeys quiet hours in dorms or quiet policies in libraries. Should I study outside, go off campus, or try something else?
